MONTHLY NEWSLETTER

Through the Looking Glass

Dear Parents

February is such a special month full of love and friendship and we will be celebrating both as our Queen of Hearts children enjoy their time at Nursery School. We will be stepping up activity in our Queen of Hearts Science and Environmental activities, helping our children with their understanding of the world around them. This links beautifully with the Queen of Hearts Farmers as they grow their own vegetables, fruit and salads and then prepare them for the school as the season changes. Interim reports are being sent home this month and I hope you will enjoy reading about your child's learning. If you would like to discuss anything about your child's development we would love to hear from you. We also have some great events happening at QYC Fun Factory including, a Family movie, open Family day session and a series of Mommy and Tot Jurassic Time. www.qycfunfactory.com. Wishing you all a wonderful family day weekend. Carron

FEBRUARY'S REMINDERS

Valentine's Celebration - Friday, February 14

February wouldn't be the same without Valentine's Day being celebrated at our schools on Friday February 14th. We invite children to wear red or pink for the day.

Pink Shirt Day - Wednesday, February 26

Join us in wearing our pink shirts on February 26 as we observe Bullying Awareness day within our schools, and focus on the importance of kindness.

Little People, Big Voices - Friday, February 28

The last Friday of each month we continue to look at ways to care for our earth. To show your support, it would be great if you could send your child **in green**. We will be focusing on different aspects of earth care each month.

Interim Reports

Your child's interim report will be coming to you before the end of February. This is a good opportunity for you to see what your child is working on with the teachers in a one to one and group setting. Please contact your Nursery Manager if you have any questions.

February's Theme: Friendship and Love

With Family Day and Valentine's Day in the same month it is good to remind ourselves how lucky we are to have both love and friendship.

Our Character Attribute: Kindness

To treat others as we would like to be treated and be kind to everybody.
